

GGF Green Finance Expert – an online training from GGF

October 4, 2022 – April 30, 2023

GGF Green Finance Expert is an innovative online training program offered by the **GGF Green Academy** and the Renewables Academy of Berlin (**RENAC**) to GGF Partner financial institutions. This program helps enhance the technical expertise of loan officers, credit specialists, sustainability teams and other professionals involved in the operation of the GGF credit lines. The program combines modules on renewable energy, energy and resource efficiency, and climate finance. The training can be completed over a period of 7 months starting in October 2022 and requires up to 5 hours of time commitment per week.

Why green finance training?

The training will help GGF partner institutions gain specific know-how in renewable energy, energy- and resource-efficient technologies, and investment - specific risk evaluation and mitigation schemes, enhancing their green lending capacity.

Training content

The GGF Green Finance Expert program offers **five specializations** to meet the individual training needs of participants:

GGF Green Finance Expert – Energy Efficiency: focus on buildings & Resource Efficiency

GGF Green Finance Expert – Energy Efficiency: focus on industry & Resource Efficiency

GGF Green Finance Expert – Renewable Energy: focus on solar PV technology

GGF Green Finance Expert – Renewable Energy: focus on wind technology

GGF Green Finance Expert – Greening of Financial Institutions

The participants also have an option to complete an advanced version of their preferred specialization by taking additional courses. The decision to complete the advanced version can be made after the program begins. Regardless of the chosen specialization, all courses of the program remain accessible to all participants.

The 4th edition of the GGF Green Finance Expert Online Training will run **from 04.10.2022 through 30.04.2023**.

Each Module of the program is followed by an exam. Upon successful completion of the program, the participants will receive the GGF Green Finance Expert certification issued by the GGF Green Academy and RENAC.

Up to 40 most active participants that demonstrate the highest performance based on the exam results, completion of advanced modules, and overall activity throughout the course, will be invited to a **1-week-long Study Tour in Berlin with all costs covered** by the GGF Green Academy. The Study Tour will include interactive seminars and site visits to outstanding green projects.

Who can apply?

GGF Partners – representatives of commercial banks, leasing companies and microfinance institutions can apply for the online program.

Please note that given the significant time commitment required by this course, it is critical that the participants plan accordingly, and dedicate sufficient time and resources to the successful completion of the training. In

addition, given that the program is offered in English, it is important that the level of English of the participants is adequate to complete all modules and online tests. Please note that given the technical depth of the program, the target learning group does not include senior management. However, the senior managers are also welcome to apply if they seek this level of engagement on green finance topics.

How to apply?

The application period starts on 25 July 2022 and closes on 5 September 2022. To apply, please follow this [link](#).

Questions?
